## Musculoskeletal Ultrasound

MSUS advanced course  
& individual hands-on training

**September 15-16 Maastricht | The Netherlands**

### **Stefaan Marcelis**

Sint-Andries Ziekenhuis, Tielt, Belgium

### **Tjeerd Jager**

Algemeen stedelijk ziekenhuis, Aalst, Belgium

### **Kurt Vanderdood**

Maasland Ziekenhuis, Sittard, Netherlands

### **Michel de Maeseneer**

AZ-VUB, Brussels, Belgium

# Introduction

The advanced course aims to teach musculoskeletal ultrasound and is designed to learn the practice of standard ultrasound examinations.

For that purpose, the key anatomic structures are discussed for each joint and emphasis is placed on training each participant individually in practical sessions.

This is guaranteed by the presence of experienced teachers and by the limited number of participants (maximum 32) accepted for each training session.

We look forward to seeing you in Maastricht.
