

**First Announcement & Save the Date**  
LMQ Conference  
**Impact of Hospital Networks on Radiology Departments**  
Date: Saturday, October 6th, 2018  
Venue: Deloitte Gateway Zaventem Building.

Dear Colleagues,

The Working Group of the section "Leadership, Management and Quality in Radiology (LMQ)" of the Belgian Radiology Society (BSR) is currently preparing its next conference: "Impact of Hospital Networks on Radiology Departments"

This conference will closely focus on the changing hospital environment and its unique setting in collaboration and upcoming networks. Reflecting on actual hospital and departmental organizational issues, we will have a deeper look in several challenges and closely guide the attendees to reach evidence-based solutions and opportunities.

Several rewarded guest speakers have already confirmed to give state-of-the-art lectures:

Marc Geboers (Zorgnet-Icuro)  
Marc Moens (BVAS)  
Henk Hemelaere (Deloitte)  
Filip Dewallens (Dewallens & Partners)  
Patrik Aerts (BSR)  
Martijn Grieten (BSR)  
Johan Hellings (CEO AZ Delta)  
Manfredi Ventura (CMO Ghdc prsdt AFMC)  
Paul d'Otreppe (CEO Bouge psdt ABDH BVZD)

Details of the preliminary program are soon available on our website <https://www.bsr-lmq17.com>
