JOIN US IN BORDEAUX!

It will be a great pleasure to welcome you to Bordeaux for the next ESSR Ultrasound Subcommittee Course.

We have prepared a very attractive program with special focus on the most recent research outcomes and latest developments of musculoskeletal ultrasound.

Offering a mix of rich historical heritage and modernity, famed for its vineyards, gastronomy, and unique "art de vivre", Bordeaux is the ideal destination. You will have the opportunity to discover the vibrant district of Bassins à Flot which symbolises the city of tomorrow.

We look forward to welcoming you next September in Bordeaux, enjoying a friendly training and learning about ultrasound techniques.
