

## ESHNR Masterclass 2021 - PRELIMINARY PROGRAMME (2021-08-03)

### Thursday, December 09

Time	Topic
08:00-08:10	How to approach lumps and bumps in the neck? Welcome and explanation TBA
08:10-08:55	Anatomy review: Neck spaces D. Hadnadjev Simonji, Novi Sad/RS
08:55-09:15	The clinical challenge: Neck swelling in children TBA
09:15-09:35	Congenital lesions TBA
09:35-10:10	Infection/inflammation and tumoral lesions A. Siddiqui, Kings Hill/UK
10:10-10:20	Break
10:20-10:30	Introduction to the Workshops: Explanation remote case reading and template report D. Farina, Brescia/IT
10:30-12:00	Workshop 1: Pediatric neck swelling K. Bhatia, London/UK; D. Farina, Brescia/IT; J. Goh, Singapore/SG; D. Hadnadjev Simonji, Novi Sad/RS; A. Siddiqui, Kings Hill/UK
12:00-12:15	Break
12:15-12:45	Q&A with the experts: Neck swelling in children D. Hadnadjev Simonji, Novi Sad/RS; A. Siddiqui, Kings Hill/UK
12:45-13:30	Break
13:30-14:00	The clinical challenge: Neck swelling in adult patients D. Farina, Brescia/IT; D. Lombardi, Brescia/IT
14:00-14:30	Neck swelling due to infection J. Goh, Singapore/SG
14:30-15:00	Neck swelling due to benign or malignant tumors (including lymphadenopathy) K. Bhatia, London/UK
15:00-15:15	Break
15:15-16:45	Workshop 2: Neck swelling in adults K. Bhatia, London/UK; D. Farina, Brescia/IT; J. Goh, Singapore/SG; D. Hadnadjev Simonji, Novi Sad/RS; A. Siddiqui, Kings Hill/UK
16:45-17:00	Break
17:00-17:30	Q&A with the experts: Neck swelling in adults K. Bhatia, London/UK; D. Farina, Brescia/IT; J. Goh, Singapore/SG; D. Lombardi, Brescia/IT

Anatomy review  
Inviting clinicians  
Workshops  
Q&A

### Friday, December 10

Time	Topic
07:55-08:00	How to deal with hearing loss, dizziness and ringing ear? Welcome TBA
08:00-08:30	Temporal bone anatomy S. Qureshi, Sale/UK
08:30-08:50	The otologists view on new developments in otology in the past decade B. De Foer, Antwerp/BE; E. Offeciers, Antwerp/BE; A. Zarowski, Antwerp/BE
08:50-09:10	Imaging in inflammatory disease without and with cholesteatoma: How to do it and pitfalls E. Loney, Shipley/UK
09:10-09:40	Hydrops imaging: How to do it and pitfalls B. De Foer, Antwerp/BE
09:40-10:00	Tinnitus: When and how to do it B. Verbist, Leiden/NL
10:00-10:15	Break
10:15-11:45	Workshop 3: Temporal bone: Inflammation, hydrops and tinnitus S. Connor, London/UK; F. D'Arco, London/UK; B. De Foer, Antwerp/BE; E. Loney, Shipley/UK; S. Qureshi, Sale/UK; B. Verbist, Leiden/NL
11:45-12:00	Break
12:00-12:30	Q&A with the experts: Inflammation, hydrops and tinnitus B. De Foer, Antwerp/BE; E. Loney, Shipley/UK; E. Offeciers, Antwerp/BE; S. Qureshi, Sale/UK; B. Verbist, Leiden/NL; A. Zarowski, Antwerp/BE
12:30-13:30	Break
13:30-14:15	Conductive hearing loss S. Connor, London/UK
14:15-15:00	Postoperative imaging (after ossicular reconstruction and implants) F. D'Arco, London/UK
15:00-15:15	Break
15:15-16:45	Workshop 4: Temporal bone: Conductive hearing loss and postop imaging S. Connor, London/UK; F. D'Arco, London/UK; B. De Foer, Antwerp/BE; E. Loney, Shipley/UK; S. Qureshi, Sale/UK; B. Verbist, Leiden/NL
16:45-17:00	Break
17:00-17:30	Q&A with the experts: Conductive hearing loss and postop imaging S. Connor, London/UK; F. D'Arco, London/UK

### Saturday, December 11

Time	Topic
07:55-08:00	Let's talk about cranial nerve palsy Welcome TBA
08:00-10:00	CRANIAL NERVES: I-VI 08:00 Imaging patterns of neuropathy F. Pameijer, Utrecht/NL 08:15 Olfactory nerve and olfactory pathway R. Maroldi, Brescia/IT 08:30 Occulomotor, trochlear and abducens nerve TBA 09:00 Trigeminal nerve D. Farina, Brescia/IT 09:30 Advanced imaging techniques for nerve imaging TBA
10:00-10:15	Break
10:15-11:45	Workshop 5: Cranial nerve palsy I-VI T. Beale, London/UK; M. Becker, Geneva/CH; H. Eggesbo, Oslo/NO; R. Maroldi, Brescia/IT; S. Robinson, Vienna/AT; E. Vassallo, Imsida/MT
11:45-12:00	Break
12:00-12:30	Q&A with the experts: Upper cranial nerve dysfunction D. Farina, Brescia/IT; R. Maroldi, Brescia/IT; F. Pameijer, Utrecht/NL
12:30-13:30	Break
13:30-15:00	CRANIAL NERVES: VII-XII 13:30 Facial nerve S. Robinson, Vienna/AT 13:50 Vestibulocochlear nerve E. Vassallo, Imsida/MT 14:05 Jugular foramen: Glossopharyngeal, vagus, accessory nerve T. Beale, London/UK 14:30 Hypoglossal nerve H. Eggesbo, Oslo/NO 14:40 Clinicians warning: Beware of referred pain M. Becker, Geneva/CH; Y. Monnier, Geneva/CH
15:00-15:15	Break
15:15-16:45	Workshop 6: Cranial nerve palsy VII-XII and referred pain T. Beale, London/UK; M. Becker, Geneva/CH; H. Eggesbo, Oslo/NO; R. Maroldi, Brescia/IT; S. Robinson, Vienna/AT; E. Vassallo, Imsida/MT
16:45-17:00	Break
17:00-17:30	Q&A with the experts: Lower cranial nerve dysfunction T. Beale, London/UK; M. Becker, Geneva/CH; H. Eggesbo, Oslo/NO; Y. Monnier, Geneva/CH; S. Robinson, Vienna/AT; E. Vassallo, Imsida/MT
